“Il fiore all’occhiello”, the “Pride” of the Italian Cultural Society is its **Italian Language Program** (ILP).

Founded in 1974, with contributions from the Italian Ministry of Foreign Affairs, the Italian Language Program is the most discernible manifestation, of the primary mission of the Italian Cultural Society of Washington: “the promotion and diffusion of the Italian Language and Culture”.

The Italian Language Program is one of the leading private schools in metropolitan area offering courses in Italian language and culture, for children and adults. The instruction is uniquely structured so that each course is designed around the needs and interests of the participants in each class.

Children learn through games, songs, art work and visual material carefully selected for content appropriate for each each group.

All the instructors are well educated native Italians, experienced in using up-to-date methods and authentic materials. The Italian Language Program provides yearly workshops and seminars offered by professors from leading Italian universities.
