ABOUT ICS
The Italian Cultural Society of Washington, DC is a non-profit organization which promotes Italian language and culture through the Italian Language Program, founded in 1974. Every month we offer cultural events, ranging from concerts, films, book presentations, lectures and current events to the celebration of regional traditions. The Gala is our main source of fundraising, essential for developing future programs, both educational and cultural, as well as scholarships. Our Scholarship Program awards students who excel in the study of the Italian language from elementary to university level, in art, music, science and in the study of the classics.
