Frequently Asked Questions & Useful Information

TIPS: How much shall we tip in Italy?

Villa Bonizella Tours LLC is an American company that operates in Italy, with mostly American and international guests. Please tip our staff (chef, cleaning lady, and driver) as you would tip them in the US. As a suggestion, we recommend each guest tip 50 euros per staff member – plus or minus depending on how happy you were with their service.

At Restaurants, even though the bill states that the tip is included, we encourage leaving about a 10% tip. Like in the US, waiters are generally paid near minimum wage.

We encourage tipping your city guides too, as you would in the US.

LAUNDRY SERVICE: Due to climate change, our area (like all Mediterranean areas) is and will increasingly be prone to drought. We therefore encourage our guests to help us save water. However, laundry services are offered at a cost of 10 euro per item.

HAIRDRYER: Hairdryers are provided in all bathrooms. We do not encourage bringing any electronic devices – except for phones, laptops and iPads – because the voltage is different from the US, UK, and other non-European countries.

AIR CONDITIONING UNITS: All rooms at Villa Bonizella are equipped with a new, silent A/C system. The system is set on a temperature of 20 C (68 F) and there is a thermostat where you can make the temperature colder/warmer by pressing the arrow pointing down/up. You can also turn it on and off. Please do not touch the “mode” key otherwise you will switch the system to heat.

TOWELS: Every guest is provided with two large towels. One for the shower and one for the pool. Please respect the environment and help us save water by reusing your towels and hanging them up after use. Only towels left on the floor of the bathroom will be washed and replaced as part of daily housekeeping.

WI-FI: Villa Bonizella offers high speed internet. Connect to Network Arnano, no password.

POOL Rules: Villa Bonizella complies with European rules on pool use. Please do not bring food or beverages at the pool, especially glassware which can be a safety risk if it breaks. Our chef Elisa will provide you with drinks in plastic glasses, should you desire. Please use the outside shower before swimming in the pool.

Please see the Swimming Pool Rules attached, which we ask guests to kindly sign in compliance with Tuscany Regional Law.
